To find an NHS Dentist

Call NHS 111 or visit www.nhs.uk

NHS 111

If you think you need help urgently during the day or night you should call **NHS 111** before you go to any other health service. By calling **NHS 111** you will be directed straight away to the local service that can help you best. It is free to call, including from a mobile, and is available 24 hours a day, 365 days a year.

When should I call **NHS 111**?

- When you need help fast but it's not life threatening.
- When you think you need to go to A&E or another NHS urgent care service.
- When it's outside of your GP's surgery hours.
